G.O.Ms.No.~~1202~~ 1201 Dated the 28th August 1953
Read the following:

G.O.No.211, Finance, dated the 8th June 1938.

ORDER:

It has been brought to the notice of the Government that the operation of the "Exception" under the proviso to Fundamental Rule 22(b) has resulted in the anomaly of junior officers whose services were lent to another Government for appointment on a higher scale of pay, drawing higher pay than officers who are senior to them, by counting their service in the posts under the other Government for increment in the corresponding higher scale in the parent State, though they would not have been promoted to the latter scale during the period. In order to correct the error out of which anomalies have arisen the Government have decided to delete the "Exception" under the proviso to Fundamental Rule 22(b) with retrospective effect from the 8th June 1938, with the qualifications set out below.

NOTIFICATION.

p.t.o.

to Article 309 read with Article 313 of the Constitution of India, and all other powers hereunto enabling, the Governor of Madras hereby makes the following amendment to the Fundamental Rules. The amendment hereby made shall be deemed to have come into force with effect on and from the 8th June 1938: Provided that the officers who are now drawing a higher ~~scale~~ pay by operation of the exception under Fundamental Rule 22Ø(b) shall continue to draw that pay but no increment shall begin to accrue to them until such time as they would reach in the normal course their existing rate of pay if they had been promoted to the higher scale when their turn came.

Provided also that the amendment shall not apply to offers who have already reached the maximum of the higher scale of pay in which they drew increments by counting their service under another Government.

AMENDMENT.
